## RESOLUTION

Expressing the sense of the House of Representatives that the United States Postal Service should discontinue the practice of contracting out mail delivery services.

Whereas letter carriers of the United States Postal Service provide mail delivery service to over 144,000,000 homes and businesses across the Nation;

Whereas the contracting out of mail delivery services is being increasingly promoted by the Postal Service as a key business strategy for its core function;

Whereas by contracting out letter carrier positions, the Postal Service is bypassing the hiring process that ensures that only qualified people handle America's mail;

Whereas the contracting out of mail delivery services limits the ability of the Postal Service to prevent, investigate,

and prosecute mail theft, mail fraud, and other illegal uses of the mail; and

Whereas the protection of our mail delivery services is a vital component of our national security: Now, therefore be it
